Measure Providing Regulations For Paying Tax Arrears Among Important Bills Before House

Act Concerning Borrowing Money for Purchase of Seed Grain Is Given Second Reading—Hon. J. R. Boyle Emphasizes Necessity of Measure Being Passed Without Delay—Dower Act Amend- ments Introduced

Legislation of a decidedly far-reaching character has been introduced in the provincial house by members of the government, one of the most important bills being that presented by Hon. A. G. MacKay, Minister of Finance, which has been given its first reading and which provides general regulations respecting the payment of arrears of taxes in all municipal districts, whether city, town, village or rural districts.

This act provides that where there are arrears of taxes, and even where the amount is not ascertainable by the municipality, the whole sum in arrears up to December 31, 1918, is to be paid off at 8 per cent. interest at eight per cent from that date, the amount to be paid off at 8 per cent annual equal payments, first payment to be made in 1920. No rate-payer may be compelled to pay more than 8 per cent interest on the amount of this act unless paid up for the tax or arrears for the year or for one year. Payments must be kept up regularly failing which the lands may be sold.

Purchase of Seed Grain
Another important bill which was given second reading concerns the borrowing of money for the purchase of seed grain. This bill was introduced by Hon. J. R. Boyle, who pointed the urgency of the measure inasmuch as without delay, owing to the demand of farmers for their tax arrears, the government will permit farmers, upon whose lands there now remain a number of unexpired portions of the mortgage increased sufficiently to permit the purchase of seed grain, to make arrangements for the drafting of a new mortgage with the bank, and the house provide for the municipal purchasing of seed grain for the benefit of the concerned municipal districts.

Domestic Act Amendments
Hon. A. G. MacKay presented another bill for first reading Wednesday afternoon, which provides for the better protection of the wife and children of a man who might be concerned in a property transaction and misled by fraud or trickery.

Under former regulations where a husband and wife had agreed to sell a third party might purchase property upon which the wife could file a notice of objection, but the bill allows the third party could not be compelled to accept the notice of objection as it is now.

The bill also introduced a bill to amend the Land Titles Act, the changes in the City Charter.

City Charter Amendments
Second readings were given a number of bills, including one introduced early in the session. A. F. Ewing presented the bill to reorganize the Edmonton city charter. The bills to amend the city charters of Edmonton, Leduc, Vegreville and Red Deer are also before the house, having been introduced by the committee on standing orders.

Arrears of Taxes
Second readings were given a number of bills, including one introduced early in the session. A. F. Ewing presented the bill to reorganize the Edmonton city charter. The bills to amend the city charters of Edmonton, Leduc, Vegreville and Red Deer are also before the house, having been introduced by the committee on standing orders.

Arrears of Taxes
The bill concerning arrears of taxes is applicable to cities, towns, villages, municipal and school districts. It applies to all lands in the province, whether to city or otherwise, unless the minister of finance, after consulting with the minister of agriculture, determines otherwise. To these lands come under the heading of those which were forfeited to the crown, etc. lands yet to be settled, lands granted on the 1st December, 1918, are treated as a principal sum at the time of grant, and the whole amount is divided into principal and interest at 8 per cent, principal and interest, the first payment to be made in 1920. No ratepayer may be compelled to pay more than 8 per cent interest on the amount of this act unless he has paid up for the tax or arrears for the year or for one year at 8 per cent, and he must keep up payment of his tax arrears yearly together with the

annual interest.

Hon. A. G. MacKay Pays an Eloquent Tribute to Memory Of the Late Sir Wilfrid Laurier

A powerful and effective tribute to the personal qualities of Sir Wilfrid Laurier was given by Hon. A. G. MacKay, Minister of Finance, in his speech at the memorial service held Wednesday night to honor the late statesman. The meeting was held in the cloisters in the University of Alberta, where a number of ladies were present.

The speech was originally called to do honor to two of the club members, Mr. J. B. Hall—who have recently returned from overseas—and Mr. J. B. Hall—who have recently returned from overseas.

Mr. MacKay's speech, however, turned into an eloquent tribute to the memory of Sir Wilfrid Laurier, the national leader of Canada.

As one of the young cannot pass up this occasion without mentioning the man, look him up. He is the founder of the nation." (Applause.)

Mr. MacKay
Mr. MacKay, who was heartily applauded as he rose to speak, remarked that it was very difficult in half an hour to say all that he wanted to say of many man's life. One could not rightly understand the life of Sir Wilfrid Laurier without understanding the national and political history of the time he was in political life.

Letters That Led To Removal of Cross Made Public

Sometimes monologues are staged in the political world, it appears. At any rate, a return made by the government to the opposition, in the case of H. H. Crawford, Strathcona, gives the lie to the claim that the government is silent.

Emile Cottin, who was consulted in the removal of Hon. C. W. Cross from the government last August, has written to the Bulletin, and down is all from Premier Stewart and Mr. MacKay.

The returns asked for also included the correspondence with led to the removal of H. H. Crawford, Strathcona, from the government.

Announcing his intention to resign, Mr. Cottin, a retired member of a purely private and business nature, Mr. MacKay had written to him, "I would like to inform all members of the government that I have been appointed and specifically appointed to the position of the premier's personal counsellor and consideration will be given to the effect that conditions will be satisfactory and that he will be able to act as a minister of the government by reason of his experience."

For the present, it has been decided with Arthur Meighen, Canadian British secretary for foreign affairs, that the Canadian delegation to the American peace delegation. Though pleased professedly, M. Clemenceau, the French premier, was not so sure. He was reassured by the fact that the Canadian delegation had been appointed to the position of the premier's personal counsellor and consideration will be given to the effect that conditions will be satisfactory and that he will be able to act as a minister of the government by reason of his experience."

Mr. Cottin's letter to Cross:

"Dear Mr. Cross—Enclosed you will find my letter to you of August 14, 1918, in which I informed you of our conversation regarding your appointment to the position of personal counsellor to the premier. I then explained to him our idea of making available to him the services of a highly experienced public affairs man."

He was then asked if he would be willing to pay the total amount of \$1,000 per month, and he agreed to do so.

The premier's letter to Cottin:

"Dear Mr. Cottin—Enclosed you will find my letter to you of August 14, 1918, in which I informed you of our conversation regarding your appointment to the position of personal counsellor to the premier. Hilda Fairbank, Miss Anna L. Ross, Miss Mildred E. Cox and Miss Mary E. Cox, all of whom are to be considered among the best, were invited to attend their tenth anniversary. There was a large attendance, the music was of the best, and everyone appeared to be improving immensely. Exactly \$104 was realized after all expenses were deducted, and this amount will be donated to the Memorial Hall fund.

The Next-of-Kin Association is giving a tea on Thursday afternoon in the Oddfellows hall. An open invitation is extended to all the members of the church and especially to all returned soldiers and their families to be present.

Federated Society of
Women's Institutes

Edmonton Authoress Honored by Selection as President
Large Field of Usefulness Open to New
Organization

Mrs. Arthur Murphy returned Wed-

nesday morning from Winnipeg where she was attending the organization of the Federated Society of Women's Institutes in the Dominion of Canada. Mrs. Murphy takes credit to herself for the election of Mrs. Murphy as president of the new organization, which, representing as it does both the spiritual and physical welfare, should be a powerful organization and factor for good in the development of the country.

Mrs. C. C. Reid, of Prince George, accompanied by her mother, Mrs. Reid, and visiting son, Mr. Russel, 1143 82nd Street at Bob Mc钾er, son of Mr. and Mrs. Mc钾er, was ill with influenza, but is very ill with influenza.

Inseifall women's curling club is playing Red Deer club on Friday at Red Deer.

J. M. McRae, who had returned to the city from overseas and will proceed to the coast to take aatorium, will return to Edmonton to finish his studies.

Considerable enthusiasm has been manifested by the curling clubs in the city, with the result that Cadet E. E. Gould was filling Friday 1pm with houses on the ice.

For the first five years Mrs. Murphy has been president of the Women's Institutes of Canada, and president of the National Council of Women.

She has been a foremost advocate of equal rights for all and has ever insisted that the public should be made aware of this fact.

This last expression of public opinion has been the chief argument that the women of Canada have for Mrs. Murphy and for what she stands for, and the opportunity will be considerably enhanced.

Alberta is to be congratulated also on the fact that it is to be the head-quarters of the new organization, and this was no doubt due to the efforts of Mrs. Murphy.

Alberta has been working for the organization since its inception.

Malcolm McRae, who has been the most prominent name in the death of her brother, Rev. John McRae, has been ill with influenza. McRae had been ill only 44 hours with the prevailing disease, influenza.

McRae had been active in Preedy, New Zealand and leaves a wife and two sons, one in New Zealand and one in Auckland; Malcolm, a barrister in Auckland and three boys with the wife, and a brother and sister besides his brother and three sisters.

Mrs. Wm. Brockie, who went to Winnipeg for the Rotary conference, has gone to the south west, or of those weeks visiting friends and relatives before returning to the city.

Malcolm McRae, who has been the most prominent name in the death of his brother, Rev. John McRae, has been ill with influenza. McRae had been ill only 44 hours with the prevailing disease, influenza.

McRae had been active in Preedy, New Zealand and leaves a wife and two sons, one in New Zealand and one in Auckland; Malcolm, a barrister in Auckland and three boys with the wife, and a brother and sister besides his brother and three sisters.

Mr. F. J. McRae, of Calgary, a member of the W. P. A. has been a woman of talent, is the corresponding representative of the W. P. A. in the south, while Mrs. McClung of Edmonton, well known as an author and a speaker, has been a member of the publicity committee for all Canadian branches of the W. P. A. and representative of the city women of the northern part of the country.

It was decided that the organization would have a paper of its own in which all the news of the W. P. A. which would look after its own work.

Among the standing committees, Mrs. Hill, of Mount Royal College, a convenor of the household committee, will be in charge of the work the Dominion government will be doing in the domestic departments, dealing with practical household problems.

George H. Putman, superintendent of Women's Institutes in Ontario, is coming to Edmonton to help in the organization and better health, and Mrs. Hill, of Mount Royal College, a convenor of the standing committee of the household committee, will be in charge of the work the Dominion government will be doing in the domestic departments, dealing with practical household problems.

Mr. E. H. Robinson of Winnipeg, a convenor of the repatriation committee, has been asked to act as convenor of the W. P. A. in Manitoba.

In this connection it may be stated that the W. P. A. is the American Women's Institute and the British Women's Institute in order to better our present organization.

Mrs. Margaret Patterson of Toronto who has been very interested in the W. P. A. has been asked to be a permanent convenor of the standing committee on public health and child welfare, and Mrs. K. C. Patterson, a prominent woman along this line that the Dominion organization can scarcely be estimated.

Late Telegraphic News Notes

RAISING ARMY OF OCCUPATION.

London, Feb. 19.—Speaking here today Right Honorable Winston Churchill said he was sending a new army for two thousand men to Russia to serve at the rate of over 1,000 dollars per month in order to disarm Germany and secure the reparation which we are determined to get to make Germany pay for the war. He said that the British forces were not in intention of sending a large British force to Russia. Mr. Churchill added, If Russia is to be saved it must be by his own exertion.

REFUSE TO DEAL WITH BOLSHEVISTS.

Washington, Feb. 19.—Formal rejection of the proposal that they meet with Bolsheviks in Moscow was handed to the peace conference at Paris today by representatives of the governments of Siberia, Archangel and Southern Russia. The note was signed by the Russian ambassador to the United States, Count Nikolai M. Tolstoy, and the Russian ambassador to Paris. In their note the three governments said that they could not accept the proposal because of the intense pacification of Russia, but that there could be no conciliation between them and the Bolsheviks who were denounced as traitors and enemies of anarchy.

LUDENDORFF MUST MOVE.

Copenhagen, Feb. 18.—General Ludendorff, former head of the German military organization, who sought asylum in Sweden after the German revolution, has been obliged to leave that country this week, according to a message from the Foreign Office. He had been granted a temporary application for a permit to remain in Sweden. Friday, February 21, is the date set for his departure.

MAY USE FORCE TO END UNREST IN GERMANY.

Vienna, Feb. 19.—The Minister of War, General von Kappel, in a speech before the minister of defence, in addressing the German national assembly today on the unrest in various districts declared that he desired to put an end to the disorders by force if necessary, adding that he would accept all responsibility if he was obliged to resort to force.

ATTEMPT MADE
TO ASSASSINATE
FRENCH PREMIER

Would-be Assassin Fired Five
Bullets — Wounds Not Con-
sidered Serious

Paris, Feb. 18.—Premier Clemenceau was fired upon five times this morning while visiting his residence and sitting in his library smoking. He is seemingly not dangerously ill. At about 8 o'clock Wednesday morning as the premier was about to go to his house in Rue Franklin, there was an ordinary-looking man dressed in a dark suit and hat. Three shots were fired, one of which took effect in the shoulder. The assailant was arrested.

London, Feb. 18.—The French em-
bassy here has been advised that the con-
fessor of the assassin, a man who at pres-
ent appears to be dangerous, has been
taken immediately to his own home
after the shooting.

Paris, Feb. 18.—Police Officer Court
gave his description of the shot-
ting as follows: "A man in a dark suit
in the city hall, where the man
was seen to be smoking a cigarette.
The crowd, which observed a respectful
silence after the shots, was so dense
in half hour President Poincaré ar-
rived, followed by the prime minister,
various members of the cabinet, high
military officers, members of the corps
of the diplomatic corps."

It was also reported that the assailant
was a man of 30 or 35 years, 5 feet 6
inches tall, with a mustache, wearing
dark clothes, and a dark cap.

On arrival of the police the
Hans Muller, a barber's assistant, told
the Associated Press representative
that he had been shot in the shoulder
as he rushed off his bus and when
he saw what was happening, cried:
"They're shooting the premier!"

He closed with the premier's assistant.
When asked if he had seen the assassin
he replied, "Yes, he had a revolver
in his hand and held up his hands.
He was shouting, 'Down with
the government!'"

According to Police Officer Gouraud
the assassin, an unknown man, was
wearing all the windows of the
premier's automobile were smashed
by the bullet. The bullet which hit
the premier was fired to do this
that he was struck. He was able to go
to the window of his office and shout
shortly thereafter the Associated
Press reporter, who was watching
up in an arm chair smoking and talk-
ing with his staff of assistants. The
only injury to the premier was that
which was sold was a slightly increased
tension of the heart.

MISS MARIE DEEL
STARS IN "TEARS"

Miss Marie Deel is the star in "Tears," a dramatic sketch which is a popular feature of this week's program. It is an act of absorbing interest and draws many back to view it again and again. As stage manager, Miss Deel has been who has played leads as well as managerial parts.

Miss Deel has played in many roles in the past, but has not been in the east and west. Also in such productions as supporting Mr. Hackney in "The Devil's Disciple," "The Pair of Sires," "The Typhoon," "Dynamite," "The Man from the Hills" and many other New York and London productions.

Mr. Meakin has taken his own stock companies throughout the east and has had great success with "The Very Minute," in which Mr. Beale presented Arnold Mr. Meakin.

"BILLY'S TOMBSTONE" AT ORPHEUM TONIGHT

The Orpheum Players present tonight, "Billy's Tombstone," a comedy, "Billy," sometimes known as "Billy's Tombstone," and patrons of the Orpheum will be wholly out of the ordinary. It is a comedy of the highest order, the plot of the play being that of the trials of a football hero who has won his tenth winning one of the biggest games of his life. He is so ashamed of his false teeth that he hires a strange woman to remove them. His friend, who at once put the worst possible construction on the action, decides to go to Havana for a trip. On the same day, he is shot in the fall of a girl he loves, and in the act of pronouncing her dead.

Then his troubles start; his attempt to hire a maid to care for his healthability to no avail.

His scenes with his sister who has him in her power are most funny. The three acts take place on the steamship Florida, and all the special scenes are built around the boat for the play, which is a laugh-provoking comedy.

The Orpheum management will present for the next three days of next week, "The Million Dollar Dolls." Special bookings are being made for the opening night, and the crowds that are expected and to allow regular patrons to be assured of their seats.

EMPRESS — Are rich widowers always destined by fate to fall victim to the wiles of unscrupulous adventuresses?

Judging by the frequency of the empires in the movies, they are. And the most successful stage and screen stars of the moment are some foundation for this popular notion.

Never, however, has the circumstance worked out as in "Moral Suicide," the latest production of the Canadian Stage Company. Miss Mairi is the chief player and which is shown at the Empress today.

"Moral Suicide" is the first independent production of the Canadian Stage Company. It was written and produced by Ivan Abramson and directed by Frank Patterson. It is said to have a strong moral flavor in the presentation of a problem that

BASKETBALL AT VARSITY ON SAT. EVENING

**University of Saskatchewan Is to
Play Local League Leaders
for Championship**

Saturday evening will mark the opening of inter-city basketball, when the University team from Regina, pitted with the Alberta Varsity quartet at the Auditorium. The two teams have made a reputation for themselves in basketball, and by all means have had a team to back them.

The boys have been going exceedingly strong this last two weeks, and the Alberta team is in a little bit of a mauloush as they are up against the best teams in the city.

Tickets for the game are already like hot cakes, and those who want to see the game should get their tickets now, as there is no room to accommodate a very large crowd.

For the Y. M. C. A. and the YMCA, the next game to be played in Saskatoon a week from Saturday, local teams will be pitted.

The local team, coached by Jimmie Pitt, will be pickeed from the players of: St. Andrews, St. Andrew's High, St. Paul's, Moose Jaw, Sarsby, etc.

OUR-CORNERED PRO. BASEBALL LEAGUE IS LATEST DOPE

Winnipeg will figure in a four-dub professional baseball league this summer, and the first game will be a week from a trip around the proposed circuit announced this morning at a meeting of the Winnipeg Board of Trade, Winnipeg, Saskatchewan, Regina and Moose Jaw.

Mr. W. J. McNaughton, president of the Y. M. C. A., said:

"The new league will be a great addition to the sports world, and we are

sure that it will be a success."

The formation of a limited company, consisting of Mr. W. J. McNaughton, of the Winnipeg Electric Railway Co., president, and Charles Moll, as vice-president, was agreed upon.

Mr. McNaughton has always taken a keen interest in baseball, and is very anxious of seeing Winnipeg worthily presented in the great national pastime.

It is the first time that professional baseball in Western Canada for many years has been organized, and it is to be hoped that the steers by local fans who appreciate efforts to promote good clean professional baseball here.

River Park will likely be the venue for the games, and the new stadium will build a large grandstand in the rear of the park, which will be a great addition to the sports grounds.

Local teams, which have been formed, will be pitted.

Results will be published in the best

Great excitement is being displayed the corridors of justice and the confidence of the proposed law statesmen. If the committee in charge of the bill can get the bill through, the dance will undoubtedly be one of the most successful of the season.

C.P.R. WINS FROM G. T.P. IN GAME FULL OF THRILLS

**Score Was Tied No Less Than Six
Times—Both Teams Were
in Good Form**

In a hockey game that took twenty minutes from the G.T.P. by a score of 10 to 5. The game was an excellent one, and the two teams were evenly matched and the score was tied six times.

The G.T.P. team ushered three new men into the league just to keep the score tied, and the two teams had not been used or absorbed by the new men.

Potter, who has not been on skates since last year, was the best player on the team, and he was responsible for exceptionally good game as rover.

He is a first-class stick man worth watching.

Wright, as a busy man, when he turned inside flocks of well-meaning shots from the other side, also kept in a state of anxiety, getting them from all angles.

He sagged his way from end to end of the rink, and when he was hit by Harold Geddes, he tied the score on a long wild side shot.

The game all the time was nip and tuck, and the two teams were separated by more than one goal.

The score at the end of the first period was tied, and the two teams scored two in the second period and one in the third.

In the overtime the G.T.P. went ahead when Potter, who had been tied by the G.T.P. man steered the puck into the net, and broke the tie on a close-in shot and Geddes, who had been hit by the Quakers during the whole game, but the sides under guard, G.T.P. scoring from a shot.

The game was an excellent one from the standpoint of the play, and a full half a ball in the excitement in the entire eighty minutes of play.

Both teams played well, and professed correctly and it looks like a close encounter.

The team lined up as follows:

C. P. R.—Wright, McQueen, Mitchell, Doherty, Collier, Chapman, McLean, G. T. P.—Lehman, Donough, McKinney, Geddes, Potter, Mountfield, and Geddes.

Results—Winnipeg, 10; G. T. P., 5.
